MISS DELLA JANVEAU.

MISS NETTIE NIEMANN, White Plains, N. Y., writes: "I have been afflicted since childhood with a most unpleasant catarrh of the head. Nothing I did seemed to cure me and when I caught a cold my troubles increased. While visiting a friend I learned the real value of Pe-ru-na. I had often heard it praised, but never paid serious attention to it. My friend, however, had been cured of catarrh by Pe-ru-na and I decided to use it faithfully."

and await results. I am glad to say that my greatest expectations were realized and I was surprised to find how readily I was cured and how quickly. Within a month all the catarrh was out of my system and I have not been troubled a particle since. I do recommend Pe-ru-na for catarrh."—Miss Nettie Niemann.

Miss Mabel H. Ellis, President of the Woman's Athletic Club, Trout Creek, Mich., says: "I suffered for three years with chronic catarrh of the bronchial tubes

and found no relief until I tried Pe-ru-na. Seven weeks' constant use of Pe-ru-na cured me permanently."—Miss Helen Ellis.

Miss Elizabeth Uber, No. 57 Bassett St., Albany, N. Y., writes: "I have always dreaded unsettled weather because of my extreme liability to catch cold, when a catarrhal trouble would quickly develop through my entire system, which it would take weeks to drive away. I am thankful to say that since I have taken Pe-ru-na I do not have

Miss Geneva Parker, an actress of New York City, in a letter from 114 E. 25th St., New York City, says: "Pe-ru-na Drug Co., Columbus, O.: Gentlemen—'I have suffered for years with catarrh of the stomach—especially after a season's travel. Your valuable Pe-ru-na was recommended to me this spring by a professional friend and after three months of its use I am happy to say I am a well woman. Highest praise to Pe-ru-na.'—Miss Geneva Parker.

wherever located. The reason so many cases of dyspepsia suffer on and on with out any relief, trying this medicine and that medicine, is that these conditions are not recognized as catarrh of the stomach. Any one suffering from dyspepsia, having tried the ordinary remedies without relief, would be safe to assume that their case is one of catarrh of the stomach, and should at once begin a course of Pe-ru-na. Pe-ru-na is sure to cure these cases. It never fails.

ALL DAUGHTY WOMEN
DREAD CHRONIC CATARRH.Hacking, Spitting, Coughing,
Sneezing Cured by
Pe-ru-na.

Miss Hertha Mann, 98 Atlantic St., Annapolis, Md., writes: "I tried catarrh remedies, some of which guaranteed a cure or money refunded, and have taken as high as eight bottles of some without any material benefit. I had made up my mind that all were worthless, so it took a great deal of persuasion to get me to try Pe-ru-na. But I bless the friend who persuaded me, as I did not take one bottle before my head and throat began to clear up, and the hacking and spitting soon ceased and when four bottles had been used there was not a trace of catarrh in my body. It is a great relief to be clear of it."—Miss Hertha Mann.

Catarrh Sixteen Years.
Mrs. Elizabeth Scherer, Monte Vista, Colo., writes: "For sixteen years I suffered with catarrh and stomach trouble. I doctored and took patent medicines without benefit. I read in one of your magazines about Pe-ru-na and thought it would perhaps help me. I have used nothing at all in the way of remedies except Pe-ru-na for about two years, and my health could not be better than I now enjoy. This remedy is also good for coughs and colds. I shall never be without it in my house."

DON'T NEGLECT COLDS;
COLDS ARE DANGEROUS.A Case Where a Common Cold
Deranged the Whole
System.

Mrs. M. J. Brink, No. 839 Michigan Ave., St. Joseph, Mich., writes: "This past winter during the wet and cold weather I caught a cold, which developed a catarrhal condition through my entire system and so affected my general health that I was completely broken down and became nervous and hysterical and unable to super-
vise my home. My physician prescribed for me, but somehow his medicine did me no good. Reading of Pe-ru-na I decided to try it. After I had taken but three bottles I found myself in fine health."—Mrs. M. J. Brink.

Pe-ru-na is not simply a palliative, to relieve some of the most distressing symptoms of catarrh. It is a permanent and radical cure. A multitude of women are praising it every day.

HEADACHE, BACKACHE,
PE-RU-NA CURES."I am Perfectly Well," Says
Mrs. Martin of Brooklyn.
"Pe-ru-na Cured Me."

Mrs. Anna Martin, 47 Hoyt street, Brooklyn, N. Y., writes: "Pe-ru-na did so much for me that I feel it my duty to recommend it to others who may be similarly afflicted. About a year ago my health was completely broken down; had headache, dizziness and irregularity, and life seemed dark indeed. We had used Pe-ru-na in our home as a tonic for colds and catarrh and I decided to try it for my trouble. In less than three months I became regular, my pain had entirely disappeared, and I am now perfectly well."—Mrs. Anna Martin.

It is no longer a question as to whether Pe-ru-na can be relied on to cure all such cases. During the many years in which Pe-ru-na has been put to test in all forms and stages of acute and chronic catarrh no one year has put this remedy to a greater test than the past year. Pe-ru-na is the acknowledged catarrh remedy of the age. Dr. Hartman, co-discoverer of Pe-ru-na, has written a book on the phases of catarrh peculiar to women, entitled "Health and Beauty." It will be sent free to any address by The Pe-ru-na Medicine Co., Columbus, Ohio.

Made If Some Remedy Had
Been Substituted for Pe-ru-na?

Attorney D. Young, Counselor of Aurora Lodge, No. 65, of the Mystic Workers of the World, writes from 190 South Broadway, Aurora, Ill., as follows: "I suffered with catarrh for eight years before I found anything that would help me. I have wasted hundreds of dollars trying to get relief, and never found any until I read what Pe-ru-na claimed to do for catarrh. A few bottles cured me completely. It not only cured my catarrh but invigorated my whole system until today I feel ten years younger and in complete and perfect health—in fact, a new man, thanks to Pe-ru-na."—Delaney Young.

Hon. W. S. Lane, Ordinary (Probate Judge) for Wilkes county, Ga., writes from Washington, Ga., the following letter: "The Pe-ru-na Medicine Co., Columbus, O.: Gentlemen—This is to certify that I have used two and one-half bottles of Pe-ru-na for a very bad case of catarrh, and am happy to say to you that I have been entirely cured and gladly recommend Pe-ru-na to any one suffering from catarrh in any of its forms. Have also used it in my family with satisfactory results, both as a tonic and remedy for catarrh."—W. S. Lane.

MANY HAVE CATARRH
WHO DON'T SUSPECT IT.Pe-ru-na Is a Tonic That
Cleanses the System of
All Catarrh.

Diseased nerves are directly traceable to poor digestion, and poor digestion is directly traceable to catarrh. With the slightest catarrh of the stomach no one can have good digestion. Very few of the many women who have catarrh of the stomach suspect what their real trouble is. They know they feel better after meals have sour stomach, a sensation of weight or heaviness, a fullness, irregular appetite, drowsiness, yawning, empty sensations, occasional pain—they all know this; but they do not know that their trouble is catarrh of the stomach. If they did they would take Pe-ru-na.

Pe-ru-na cures catarrh wherever located. As soon as Pe-ru-na comes in contact with the stomach the digestion becomes good, appetite regular, nerves strong, and trouble vanishes. Pe-ru-na strengthens weak nerves, and by temporarily stimulating them, but by removing the cause of weak nerves—poor digestion. It is the only cure that lasts. Remove the cause. Nature will do the rest. Pe-ru-na removes the cause. If the symptoms are a general feeling of lassitude, poor circulation of the blood, restless, disturbed sleep, with fantastic dreams, confusion of mind, craving appetite, heavy, tired feeling, indigestion, nervousness, etc., Pe-ru-na is adapted to the case, and never fails to cure every case.

Col. Livingston says: "I take pleasure in joining with General Wheeler, Congressman Brewer and others in recommending Pe-ru-na as an excellent tonic and a catarrh cure."—Col. L. I. Livingston.

Mrs. Florence Atkins, 922 Forsyth St., Toledo, O., writes: "I am today cured of that dreadful disease I wrote to you about when I asked your advice. I at once began taking Pe-ru-na and Maminin and have just finished the fifth bottle. It has cured me of leucorrhoea. I had the trouble for nine months and had given up hope of ever being strong again. I cannot tell how happy I feel, but you will know. I never heard of such medicine. It is the only medicine on earth. I will always keep Pe-ru-na in my house."

"I cannot find anything to talk about from morning till night but Pe-ru-na. I was a sick woman when I first wrote you. I have a bright, clear color now, and I am altogether a well woman." "Pe-ru-na is the best friend I ever had on this earth—it must be praised—it cured me."—Mrs. Florence Atkins.
